PROFESSIONAL PROFILE

Detail-oriented and safety-conscious Facilities Maintenance Technician with over 1.5 years of practical experience in municipal building inspections, routine facility upkeep, and structural repair tasks. Demonstrated competency in executing preventative maintenance schedules across public facilities, performing minor plumbing and carpentry fixes, repairing interior fixtures, and maintaining comprehensive work order logs.

CORE COMPETENCIES & TECHNICAL SKILLS

Facilities & Building Upkeep

- Routine building defect inspections
- Door, window, lock & hinge repairs
- Ceiling tile replacement & wall patching
- Painting, sanding & surface prep

General Maintenance & Safety

- Basic pipe, faucet & sanitary repairs
- Hand and power tool operation
- PPE compliance & hazard identification
- Maintenance log sheet documentation

WORK EXPERIENCE

Junior Facilities Technician — Coastal Facilities Services

March 2025 – Present

- Conduct weekly visual inspections of public facilities, logging building defects and safety hazards.
- Perform routine carpentry maintenance including replacing cabinet latches, door handles, and floor trim.
- Carry out minor plumbing fixes such as replacing washer seals, clearing clogged drains, and sealing taps.
- Apply paint and wall plaster patching to keep municipal hall interiors in optimal visual condition.
- Utilize power drills, saws, and manual hand tools in strict accordance with OHS guidelines.

Maintenance Assistant — Metro Building Maintenance Agency

November 2023 – February 2025

- Assisted senior technicians with general building repairs across multi-tenant municipal offices.
- Supported preventative maintenance programs by inspecting light fixtures, door sealings, and roof gutters.
- Ensured full compliance with personal protective equipment (PPE) requirements on site.

EDUCATION & QUALIFICATIONS

Certificate in Facilities and Building Maintenance South Coast Technical Skills Institute (Fictional) Comprehensive practical and theoretical program covering building inspections, preventative maintenance routines, surface finishing, and workplace safety compliance.	2024
National Senior Certificate (Grade 12) Durban Secondary School (Fictional)	2022

CERTIFICATIONS & PRACTICAL WORKSHOPS

- Practical Facilities Maintenance Certificate:** South Coast Skills Centre (2024)
- Occupational Health & Safety (OHS) Awareness:** Basic Workplace Safety Module (2024)
- Safe Ladder & Scaffolding Usage:** Training Workshop (2024)

HEALTH, SAFETY & QUALITY COMMITMENT

Committed to zero-harm workplace safety standards. Trained in ladder stability, hazard isolation, electrical lock-out awareness for non-electrical staff, correct manual handling techniques, and proper chemical handling for surface cleaning and painting prep.
