PROFESSIONAL PROFILE

Practical and reliable Facilities Maintenance Technician with over 5 years of hands-on experience in public and commercial building maintenance. Skilled in routine structural inspections, minor carpentry, basic plumbing repairs, internal/external painting, roof leak repairs, and general handyman duties. Strong background in supporting safe, clean, and fully operational facility environments in compliance with OHS guidelines.

CORE TECHNICAL SKILLS

- Building structural inspections & snagging
- Basic plumbing, pipe repairs & fitting maintenance
- Minor carpentry, door handles, locks & hinges
- Drywall repair, plastering & protective painting
- Ladder & scaffold safety compliance
- Grounds maintenance & roof drain clearing
- Preventative maintenance checklist logging
- Tools inventory management & workshop care

WORK EXPERIENCE HISTORY

Assistant Facilities Technician — Coastal Facilities Services

2022 — Present

Durban Central Facilities Contract

- Conduct daily routine physical inspections of office buildings, corridors, restrooms, and external grounds.
- Perform quick-response repairs to broken doors, window latches, ceiling tiles, and office furniture.
- Fix leaking taps, replace damaged flush valves, and clear clogged drainage lines across municipal service sites.
- Prepare surface areas and apply undercoats and enamel paints to keep interior and exterior walls maintained.

Maintenance Handyman — Metro Property Care

2020 — 2022

Commercial & Residential Maintenance Division

- Assisted senior technicians with basic electrical bulb/tube replacements and conduit fixing.
- Cleared guttering and inspected roof sheets for water leaks prior to seasonal rainfall.
- Maintained logbooks of job cards completed and materials used for weekly inventory reconciliation.

Mpendulo Mncwabe

JOB TITLE

Assistant Facilities Technician

PERIOD OF SERVICE

1 March 2022 — Present

EMPLOYMENT STATUS

Permanent Full-Time

TO WHOM IT MAY CONCERN

This letter serves to confirm that **Mpendulo Mncwabe** has been employed with **Coastal Facilities Services (Pty) Ltd** as an **Assistant Facilities Technician** since 1 March 2022.

During his employment, Mr. Mncwabe has been deployed across various commercial and municipal client buildings in the Greater Durban area. His core operational duties include:

- Conducting weekly preventative physical inspections of building structures, roofing, doors, and plumbing fixtures.
- Completing minor carpentry tasks, including door hanging, lock installation, frame alignment, and office partition repairs.
- Performing basic plumbing interventions, such as unblocking waste lines, replacing damaged taps, washers, and flush valves.
- Applying touch-up paint, plaster repairs, and exterior sealing to maintain building aesthetics and protect surfaces.
- Adhering strictly to occupational health and safety rules, including wearing correct PPE and practicing safe ladder usage.

Mr. Mncwabe is an industrious, punctual, and highly cooperative team member who executes assigned maintenance tasks with attention to detail and care. We have no hesitation in recommending him for facilities technician roles.

RE: APPLICATION FOR FACILITIES MAINTENANCE TECHNICIAN (REF: TECH-2026-00006)

Dear Sir / Madam,

I am writing to express my strong interest in the **Facilities Maintenance Technician** position (Ref: TECH-2026-00006). Having earned a Certificate in Facilities and Building Maintenance and accumulated over 4 years of hands-on experience in building inspections, plumbing repairs, minor carpentry, and general facility care, I am eager to contribute to your maintenance team.

In my current role as Assistant Facilities Technician at Coastal Facilities Services, I perform daily inspections across multiple public and commercial facilities. My day-to-day responsibilities require quick problem-solving—fixing door locks, unblocking drains, repairing minor structural damage, touch-up painting, and making sure that all work areas remain safe and compliant with health and safety standards.

Key strengths I bring to this position include:

- A formal qualification in Facilities & Building Maintenance from South Coast Technical Skills Institute.
- Practical expertise in basic plumbing, carpentry, wall/paint repairs, and general building upkeep.
- Proven adherence to OHS regulations, including safe ladder usage and hazard identification.
- A valid Code C1 (Code 10) Driver's License and willingness to respond to maintenance call-outs.

I take great pride in keeping facilities safe, clean, and fully operational for staff and members of the public. I welcome the opportunity to discuss my application in an interview. Attached please find my complete document portfolio for your review.

Yours sincerely,

Mpendulo Mncwabe
